In reply to your letter No.139-M.62/C.91 of 1916-17 dated the 18th July 1916, I have the honour to state that considering the chronic poverty and improvidence of the communit for whose benefit the school is intended, and the delay inseparable from obtaining a grant-in-aid from Government, and from carrying out works of any kind in the city at present, I would suggest that the limits time proposed in the first of your conditions should be doubled With this modification, I beg to notify the Mission's acceptance of the offer of site kindly made by you

I take this opportunity of asking you to be so good as to depute a departmental subordinate to mark out the ground allotted for the intended purpose.
